Accommodation categories are based on the size and furnishings of the rooms and not according to the stars allocated to the establishments by the German Hotel Classification. Thus rooms in one establishment may be allocated in different categories. Categories were determined after an official inspection of the rooms. *Hotel category determines seating section.*

The VPC Pilgrimage group will be staying in a hotel with spacious, comfortably furnished rooms of high standard with shower or bath/toilet and a corner seating unit. It is equipped with: minibar or a range of drinks, color television, radio, direct-dial telephone, internet access, hair-dryer, cosmetic articles, and bathrobe on request.

Please note that the Passion Play is presented in German. Each guest is provided with a book that contains the complete dialog in both English and German.

In addition to the Passion Play, we will see some of the most beautiful places in Germany; that are rich in Reformation history, indescribable scenery and glorious architecture. Best of all, we will do this together with VPC friends and family.

The cost is \$3850.00 per person sharing a double room for this 9 day pilgrimage and deposits are accepted on a first come first served basis for the remaining spaces. Optional travel insurance is \$199.00. The initial deposit of \$1,500.00, plus optional travel insurance of \$199.00 if desired, must accompany the enrollment form. The final payment will be due April 15, 2010.

We must collect deposits quickly since ticket packages to the Passion Play must be purchased one year in advance, and include a mandatory one night stay in a local hotel and three meals. This alone represents 20% of the package cost. We have taken a number of steps to keep the cost as low as possible. Please contact the Passion Play planning team at <passionplay@viennapres.org> if you have questions.
