Dear Parent,

We are excited to have your family join us for Worship each week.

Our Sunday morning programs offer parents and children the choice of how to worship.

Before parents head for the Sanctuary they can drop off their children at age/grade level classes from young 3s through 6th grade. Classes include creatively-told Bible stories that help our children to understand basic Biblical truths and how to apply them to their own lives. We use games and crafts to reinforce the teaching. The younger classes include lively 'kid-style' worship.

Childcare for children born after 12/31/05 is in the childcare wing. For more information, pick up a brochure in the childcare wing or contact Laura Curry-Greene, our Sunday Morning Nursery Coordinator at lrcurry@hotmail.com.

Families who prefer to begin the morning worshipping together can head straight for the Sanctuary. After the children's message, children can leave for one of two classes; Bridges to Worship and Gateways to Worship.

'Bridges' (4 years through 1st grade) is based on a teaching method called Godly Play, where children enter the worship space, wonder together as they experience stories from the Bible and then engage in their own creative exploration of what they've heard.

'Gateways' (2nd through 4th grade) helps our slightly older children appreciate the church year and elements of the worship service. Classes are interactive and creatively taught.

We enjoy talking with parents, so please contact us with any questions or concerns.

We look forward to getting to know your children -

Clare Maynard and Daryl Wright
